Message of the District Secretary for the Performance & Financial Report of the Year, 2023

Preceding year, 2022 is certainly a challenging year with the emergence of covid-19 pandemic situation and economical and political crisis affected to the whole Island. First and foremost, I would like to extend my heartfelt gratitude and thanks to Mr. Pradeep Yasaratna, former District Secretary for his leadership and guidance in the event of achieving of expected targets regarding programs and projects outlined within the district of Colombo, amidst all sorts of challenges. Furthermore, I sincerely appreciate the district political leadership, divisional secretaries, all heads of sections in the District Secretariat, staff attached to the District and Divisional Secretariats, other government and private institutions and organizations operating within the district as well as relevant individuals who have contributed in various ways and means in the course of fulfilling of aforementioned challenges.

Performance Report 2022, is comprised with information and progress on numerous programs and projects implemented on provisions granted by various government ministries and departments as well as the Provincial Council, Western Province in order to fulfill infrastructure development, social development and spiritual development of public in the Colombo district, through the co-ordination of 13 divisional secretariats fall under the purview of the district of Colombo.

In addition to the development programs implemented by government provisions, various innovative programs have been jointly carried out by the district secretariat along

with other 13 divisional secretariats as well. “Kolomthota Waga Sangramaya” and other related gardening competitions held with the intention of promoting of gardening is in fact considered to be significant events as a precaution to the food crisis existed in the country. It is no doubt that we were able to achieve a landmark victory enabling to get participated and induced population residing in apartments in the heart of Colombo, for vertical space gardening. “The Voice of Colombo” reality show that has been organized in high level of quality, receiving satisfactory patronage as a government Institution, paving way for public officers a remarkable opportunity to sharpening their singing talents and enjoying music, evading from hectic and weary routine office duties for a moment. Apart from this, the sports meet “Government Agent’s Award” held in concerning to upgrade collective sports skills having improved physical aptitude of officers and the “ Nanamina Scholarship Program” initiated with the intention of extending courage and assistance for the education requirement of children in low income families, are two innovative programs organized focusing the district secretariat, Colombo.

It is expected to successfully accomplish future targets built up with an awareness and understanding of future social requirements and challenges that could be unexpectedly confronted with and, lastly I extend my gratitude and honour to all those who have sacrificed their own time and effort in the run upto achieving of all targets through significant victories.

Chapter 1

Institutional Profile/ Summary of Implementation

1.1. Introduction of the District

The most significant and important district in the western province, among the 25 administrative districts, is Colombo. The remarkable feature of the district is that the commercial and trade city, Colombo as well as the administrative city, Sri Jayawardhanapura Kotte, are both located in this district itself which result in portraying remarkable feature inherited by the district, outshining over other districts in the island.

This is the smallest district in the Island with an extent of 699 km², bounded from north by Kelani river and Kalutara district, from the west by Indian ocean and from the east by Sabaragamuwa province as well. It is consisted with 577 grama niladhari divisions within the 13 divisional secretariats fall under the purview of the Colombo District Secretariat.

According to the data of the Department of Census and Statistics in 2022, the estimated population herein is 2,477,922 and the density per square kilometer (1km²) is 3,545. It is evident that the highest density rate in the Island is existed in this district itself, resultant from the mere fact that the port of Colombo, which has been over a long period far back towards the ancient era, recognized and considered as one of the most top level port among grading of other most busiest and crowded ports in the world, is positioned within the district of Colombo, itself.

According to the Central Bank of Sri Lanka data, the rate of national gross domestic production in sri lanka existed in a range between 38%-39% during the time frame 2016 - 2020. Out of which the contribution that the Western province made to the gross domestic production in the year 2020 is Rs.Mn. 5,694,306. It is represented 38% out of the total GDP in the country. (Report of Central Bank, Sri Lanka - 2021). The district of Colombo, the most functioning and prominent district in the western province, an economical hub encompassed by almost all financial and trade institutions, has made a large portion of contribution to the GDP of the country as a whole.

Recent development activities and projects carried out within the district , which is endowed with economical, social, political and historical remarkable features, would culminate in future as an important junctures taken place in the history of Sri lanka. The first ever highway system set up in this country, Southern expressway, Colombo-Katunayaka high way, New Kelani bridge and outer circular road projects, fly-overs in Dematagoda and Nugegoda as well as some other fly-overs are under way at present, could definitely be inscribed as significant foot prints of irrigation sector and transport fields in sri lanka. In the

same way, port city project which has commenced recently, could be introduced as an investment that enhance the limits of current development process and, the Act of Colombo Port City Economical Commission bearing No. 11 of 2021 has been gazetted on 28th May, 2021 and, a new strip of land with the extent of 446.6153 hectares added up as a new territory to the land of sri lanka. This new plot of land comes under the purview of the Colombo Divisional Secretariat division.

3.4. Statement of Finance

DISTRICT SECRETARIAT - COLOMBO NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31.12.2022

Basis of Reporting

- 1) Reporting Entity
The Kachcheri Colombo (hereinafter referred to as "District Secretariat") which is situated at Elvitigala Mawatha, Narahenpita, Colombo - 5 was established on 01st of October 1833 by an Proclamation.
 - 2) Reporting Period
The reporting period for these Financial Statements is from 01st January to 31st December 2022.
 - 3) Basis of Measurement
The Financial Statements have been prepared on historical cost modified by the revaluation of certain assets and accounted on a modified cash basis, unless otherwise specified.

The figures of the Financial Statements are presented in Sri Lankan rupees rounded to the nearest rupee.
 - 4) Recognition of Revenue
Exchange and non exchange revenues are recognised on the cash receipts during the accounting period irrespective of relevant revenue period.
 - 5) Recognition and Measurement of Property, Plant and Equipment (PP&E)
An item of Property, Plant and Equipment is recognized when it is probable that future economic benefit associated with the assets will flow to the entity and the cost of the assets can be reliably measured.

PP&E are measured at a cost and revaluation model is applied when cost model is not applicable.
 - 6) Property, Plant and Equipment Reserve
This reserve account is the corresponding account of Property Plant and Equipment.
 - 7) Cash and Cash Equivalents
Cash & cash equivalents include local currency notes and coins in hand as at 31st December 2022.
- * In cases where there are transactions which are specific to a particular reporting entity, relevant information can be entered in to the Financial Statements with approval of Department of State Accounts and the disclosure required for those specific transactions may be included under "Reporting Basis".
- * Only the accounting policies relevant to the reporting entity should be disclosed under the reporting basis.
